Thanks so much, Ayn!! Maybe I'll change the September 26 news item, as well, to match what you sent. Does that sound good?

We are also adding the four comments on the Draft Peer Review Charge in the February 8 news item.

Thanks!

Subject: It might be good if you could show Jim and the rest of us a mock-up

of how we expect the access to the Phase V Summary of Results to look on the website once the document is finalized... is that doable?
